## COMPANY PROFILE

The Aveno range contains a comprehensive spectrum of edible oils, fats and margarines for the professional kitchen. Our products are used in the food industry, industrial bakeries, large kitchens, the catering industry, etc. with every possible form of packaging, in any possible location and at any possible moment. Aveno NV makes part of the Antwerp Oil Refinery (AOR) group. The AOR group has its own production units, bottling plants and packaging production throughout the world: in Belgium (Antwerp), Italy (Priverno - Latina), Estonia (Tallinn) and the Netherlands (Oudendijk). This means that production can be carried out as efficiently as possible at every stage and adjusted to local needs. Our products are always of the highest quality. All products are created on the basis of the very best raw materials and ingredients and developed with the most modern production technologies.

## CORPORATE INFO

Aveno NV is located in the Port of Antwerp, which is the second largest city of Belgium in the north west of Europe and one of the fastest-growing economic regions of Belgium. We consider the port of Antwerp our gateway to the world. And given the expertise of our shipping and forwarding department, we are able to assure our clients fast shipping routes. You will find our company in the 6th harbor dock between quay 312 and quay 308.
